**Director:** Davita Vance-Cooks

**Department:** Independent

**Maryland Employees:** 22

**History & Mission:** GPO's mission has been to keep America informed on the three branches of the Federal Government. Main GPO primarily focuses on the GPO Sales Program, but also fulfills consigned subscriptions for Federal agencies. Main GPO includes Headquarters, the Laurel Warehouse, the Bookstore, and the Contact Center.

The Superintendent of Documents, Government Printing Office, is an authorized sales agent for information published by the various departments and agencies of the Federal Government. Titles covering nearly every field of interest are available for purchase at nominal prices. The sales program of the Superintendent of Documents provides a means whereby the public can purchase selected U.S. Government publications.
