

Governor's Economic Competitiveness Subcabinet

The mission of the subcabinet is to advise the Governor on, and identify and recommend policies, regulations, strategies, and actions that strengthen Maryland's economic competitiveness and growth on an ongoing basis; review proposed policies and procedures by executive departments and agencies impacting economic development and workforce development; coordinate the implementation of executive directives and legislation that support business and talent development in the state; track the progress of the cross-agency implementation of the Economic Strategic Plan approved by the Maryland Economic Development Commission; track the progress of the cross-agency implementation of the economic goals under the Moore-Miller Administration's Maryland State Plan; and on a biannual basis, develop and publish a consolidated economic competitiveness plan that incorporates strategies and action plans from every executive department and agency represented on the Subcabinet.
