

## **BACK OFFICE SERVICES**

The Maryland Nonprofits Accelerator is your partner in success, dedicated to supporting nonprofit organizations across the state. Our Back Office Services are designed to enhance operations and propel your mission and growth forward.

### **AVAILABLE SERVICES**

#### **Grant Writing Center**

The Grant Writing Center provides versatile and affordable assistance in fund development. Regardless of where your nonprofit stands in its fundraising journey, our seasoned grant-writing consultants will ensure your organization's readiness for grant funding, conduct prospect research, draft proposals, and assist with grant management and compliance.

#### **Human Resource Services**

Whether you need a one-time engagement or ongoing support, our dedicated human resource professionals can meet your organization's unique needs, bringing affordable, expert human resource services within reach. We will provide your organization with cost savings, specialized expertise, and increased operational efficiency.

#### **Legal Consulting**

Our legal team offers a robust set of services designed to help you run your nonprofit with confidence, knowing you are complying with state and federal requirements as well as best practices in governing and managing your organization. Our affordably priced services are intended to help you tackle the important legal tasks that come with leading a nonprofit organization.

## Financial Management from Topline CPAs

Our longtime partner, Topline CPAs, specializes in providing back office solutions and financial ecosystems for small nonprofits. Their affordable financial service suite removes the hassle of worrying about your accounting department, allowing you to focus on your organization's mission and growth. You'll love the peace of mind of knowing that a finance professional is overseeing, protecting, and improving the financial side of your business!
