

Brief Economic Facts

GARRETT COUNTY, MARYLAND

Garrett County is a progressive community that welcomes business. The westernmost county in Maryland, Garrett offers a central location to local major markets, interstates, available community-owned business parks, a variety of housing options, and an excellent workforce.

The Department of Economic Development works to attract, retain, and expand businesses to the area. The county's workforce, location, and affordable community-owned business parks have attracted some of the best businesses that Maryland has to offer. Garrett is an attractive location for manufacturing, distribution, back office, call center, energy, agricultural, and recreation firms.

The county has a consistently outstanding K-12 public school system. The STEM curriculum in both the public schools and Garrett College prepares graduates for career achievement and skilled local jobs. The Garrett County Scholarship Program puts post-secondary education within reach of area high school students and their families and provides an opportunity for all
